TEACHING EXPERIENCE

2022-present	University of Bordeaux , <i>Graduate level courses in Economics</i> : Development Economics; Dynamiques des populations; Quasi-experiments; Structural transformation
2021-2022	University Mohammed VI Polytechnic , <i>Undergraduate level</i> : Economics 1; Experimental methods for public policies. <i>Graduate level</i> : Econometrics 2; Game theory: advanced applications for international relations.
2016-present	Istanbul Technical University , <i>Undergraduate level</i> : Development Economics, Statistics II, Income distribution and poverty (4 th year elective), Introduction to Economics (university mandatory common class); <i>Graduate level</i> : Development Economics.
2010-11	Virginia Tech , Teaching Assistant for courses: “Introduction to macro-economics” and “Environmental and sustainable economics”.
2009-10	University of St-Andrews , Taught French and History classes to 150 undergraduate students each semester.

ACADEMIC PRESENTATIONS

- 2022 American Economic Association (**AEA**) meeting, 2nd Research Conference on Forced Displacement (**CFD**), University Mohammed VI Polytechnic (**UM6P**), Bordeaux School of Economics (**BSE**), **CERDI**
- 2021 Social Sciences University of Ankara (**ASBU**), Center for International Development, inaugural seminar. International Conference of Agricultural Economics (**ICAE**). International Conference in Development Economics (**ICDE**).
Job talks: Institute for Development Studies; Boğaziçi University*; Leiden University College; University Mohammed VI Polytechnic*; University of Twente*; International Livestock Research Institute*; Paris 1 Panthéon-Sorbonne (CES)*; University of Manchester*; Gembloux Agro-Bio Tech - Université de Liège*.
** indicates job offers.*
- 2020 Social Protection & Jobs Brown Bag Lunch Seminar, **World Bank**. Middle East Economic Association (**MEEA**) conference, Piri Reis University. North East Universities Development Consortium (**NEUDC**) conference, Dartmouth University. **INFER** Annual Conference, Sorbonne Paris Nord University. VAME team workshop, World Food Program (**WFP**), Turkey.
- 2019 Departmental seminar, **American University of Beirut**. **NOVAFRICA** conference, Nova School of Economics and Business. Child Labor workshop, Middle East Technical University (**METU**). Departmental seminar, **Ibn Haldun University**.
- 2018 Conference on Child labor in the context of conflict and migration, **Istanbul Technical University**. National Workshop on Targeting, **Kinshasa**. American Agricultural Economics Association (**AAEA**) annual meeting, Washington, DC.
- 2017 Departmental seminar, **BETAM** and **Bahçeşehir University**. Departmental seminar, **Boğaziçi University**. National Forum on Social Protection, **Conakry**.
- 2016 Departmental seminar, **Istanbul Technical University**. American Agricultural Economics Association (**AAEA**) annual meeting, **Boston**, MA. Postdoc symposium, **UC Davis**. African studies research cluster seminar, **UC Davis**. Centre for the Study of African Economies (**CSAE**) Conference, Oxford. International Meeting on Social Safety Nets, **Ouagadougou**.
- 2015 Global Index Insurance Conference, **Paris**. International Conference of Agricultural Economists (**ICAE**), University of Milan. American Agricultural Economics Association (**AAEA**) annual meeting in San Francisco, CA. Postdoc symposium, **UC Davis**.
- 2014 Development workshop, **UC Davis**. CRED workshop, **University of Namur**. American Agricultural Economics Association (**AAEA**) annual meeting in Minneapolis, MN.
- 2013 Human Development and Capability Approach (**HDCA**) Conference in Managua. **CIREQ** Graduate Students Research Workshop, Montreal, QC.
- 2012 Interdisciplinary Research Symposium, **Virginia Tech**. Poster presentation.
- 2011 Social Safety Nets Workshop, World Bank, **Dakar**. Graduate Student Association Research Symposium, **Virginia Tech**.
- 2010 **McGill University** section of Engineers Without Borders Canada, in Montreal: presentation on “Perspectives on Burkina Faso’s Agriculture: Producers and Markets”.

GRANTS AND AWARDS

- February 2021 BAP research project grant, Istanbul Technical University.
January 2021 Best Paper Award, Middle East Economics Association.

January 2019	Galatasaray Egitim Vakfi award for the Best Paper in Development Economics.
April 2018	BAP pilot project grant, Istanbul Technical University.
September 2017	BAP research project grant, Istanbul Technical University.
August 2016	BAP start-up grant, Istanbul Technical University.
May 2015	Best Presentation award, postdoc symposium, UC Davis.
July 2014	Conference travel award, AAEA department, Virginia Tech.
April 2014	Virginia Tech GSA Travel Fund Program award.
2010 – 2014	Virginia Tech, Graduate Research Assistantship, AAEA department.
June 2008	Fondation de France’s Scholarship for Research and Mobility.

LANGUAGES AND SKILLS

Languages	French , native. English , fluent. Turkish : intermediate. German : intermediate. Spanish : intermediate. Dioula (West-Africa): beginner. Darija (Moroccan Arabic): beginner.
Software	Stata, R, GAMS, ArcGIS, ODK, SurveyCTO, CSPro, Latex.

SUPERVISION

Ongoing	PhD : Aizhan Salimzhanova, Emre Bilgiç, Rofaida Benotsmane; Betül Çubukcu
2022	MA : Mahmoud Alioume
2019	MA : Betül Çubukcu, Mehmet Yavuz, Rofaida Benotsmane.
2017	MA : Seda Çalıřır (Turkish Economic Association Best MA Thesis Award).

Undergraduate theses supervision: Aylin Buyukbayrak, Ecem Özgüven, Ugurcan Demir, Deniz Uragun, Ece Nur Sen, Deniz Bora, Miray Demirkol, Xhezaira Guleksi, Özgün Evrim Ince, Maide Çabuk, Beyza Unal, Izel Cetiner, Nursena Sagir, Merve Yaldiz.

PROFESSIONAL ACTIVITIES

2012-present	Reviewer: <i>British Journal of Management, Third World Quarterly, Food Policy, Environmental Science and Pollution Research, Environment and Development Economics, Journal of African Economies, PLOS ONE, Journal of Development Studies, Journal of Public Economics, World Development, Revista Cuadernos De Economia, Journal of Developing Areas, Public Knowledge Journal, ITU BAP fund, AAEA meeting, World Bank internal technical review, Virginia Tech GSA Research Symposium, Virginia Tech Graduate Research Development Fund, USAID Feed the Future MRR Innovation Lab, Universidad de Las Américas Call for Research Projects, Feed the Future Advancing Local Leadership Innovation and Networks (ALL-IN),</i>
2021-2022	Member of the Economics recruitment committee. Co-coordinator of the AIRESS research program “Growth, Development & Environment”. Member of the ERASMUS+ commission.
2019-2021	Department of Economics seminar series coordinator.

- 2018 **Core organizing committee** member, **Conference on Child labor** in the context of conflict and migration: economic and cultural perspectives, ITU.
- 2015-2016 **Core organizing committee** member, annual **Postdoc Symposium**, UC Davis.

FIELDWORK RESEARCH & DATA COLLECTION

- 2022 Niger: Impact evaluation of the PEJIP program, baseline household survey in rural areas (remote supervision). [AEA RCT registry ID: AEARCTR-0009761]
- 2020-2021 Burkina Faso: Impact evaluation phone household survey, baseline and follow-up, for an anti-corruption App intervention (remote supervision). [AEA RCT registry ID: AEARCTR-0006543]
- 2017-18 Democratic republic of Congo: interview-based survey among practitioners from 70 organizations on targeting in practice.
- 2016 Burkina Faso: Qualitative survey on artisanal gold mining and index insurance for cotton farmers.
- 2015 Burkina Faso: Impact evaluation household survey on index insurance for cotton farmers.
- 2013 Niger: Impact evaluation household survey for a cash transfer project.
- 2011-2012 Cameroon: Baseline impact evaluation household survey on targeting and impacts of a cash transfer project.
- 2009-2010 Burkina Faso: Six-month fieldwork with the Development Research Institute (IRD) and Nouna Health Research Center (CRSN). Household survey and qualitative fieldwork on agricultural production and trade.
